

## **QUALITY POLICY**

KASNEB is committed to transforming business professionals by offering globally recognised quality examinations and certification. This commitment will be realised through: development and review of syllabuses, professional conduct and administration of examinations, certification of qualified candidates, promotion of KASNEB qualifications nationally and internationally, accreditation of relevant training institutions and engagement in research, innovation and consultancy.

KASNEB shall consistently comply with the ISO 9001:2015 Quality Management System International Standard, together with applicable statutory, regulatory, contractual and institutional requirements. KASNEB is dedicated to continually improve its quality management system to ensure efficiency, reliability and stakeholder satisfaction.

The quality policy shall be communicated to our stakeholders and reviewed regularly to ensure its suitability and effectiveness.
